

Birds of Northumberland County

Species whose records have not been accepted

Prepared by Clive Goodwin, 23 April 2010

The following species have been formally reported from the County (i.e. their occurrence has been published somewhere), but have inadequate documentation or none at all; or are probable escapees (marked PE). Documentation judged inadequate lacks information necessary to separate the bird reported with reasonable certainty from other species.

Barnacle Goose	PE
Common Eider	
Chukar	PE
American Flamingo	PE
Swallow-tailed Kite	
Eskimo Curlew	
Black Guillemot	
Red-naped Sapsucker	
Say's Phoebe	
Cassin's Kingbird	
Bell's Vireo	
Florida Scrub-Jay	PE
Black-billed Magpie	PE
Cave Swallow	
Hepatic Tanager	
Painted Bunting	PE
European Goldfinch	PE
